Pharmacy Practice Residency 2015

Huntington VA Medical Center Huntington, WV

1540 Spring Valley Drive
Huntington, WV 25704
304.429.6755

Program Overview

The Huntington VA Medical Center pharmacy practice residency is designed to develop clinical skills in a broad range of practice settings. Through substantial learning opportunities and fostering professional growth, the residency will develop resident competence, skills, and application of drug therapy. With the practiced guidance of fourteen clinical pharmacists, the resident will accumulate the knowledge and experience to improve drug therapy outcomes and enhance pharmaceutical care.

Areas of focus

- Acute patient care
- Ambulatory patient care
- Drug Information
- Drug use policy development
- Practice management
- Formulary management

Inpatient clinical activities

- Daily medical/surgical rounds
- Pharmacotherapeutic monitoring
- Evidence-based interventions

Ambulatory disease state management

- Hyperlipidemia
- Hypertension
- Diabetes
- Anticoagulation
